### Forget Her Name A Gripping

Forget Her Name is a fast paced and twisty novel with a satisfying ending, often neglected in psychological thrillers I've found. Just because there has been misery, death and destruction in a story doesn't mean that readers should be left hanging at then end.

5.0 out of 5 stars Fast Paced and Twisty. Reviewed in the United Kingdom on 20 May 2018. Forget Her Name is a fast paced and twisty novel with a satisfying ending, often neglected in psychological thrillers I've found. Just because there has been misery, death and destruction in a story doesn't mean that readers should be left hanging at then end. I did guess the main part of the twist but not some others, and thoroughly enjoyed this exciting and well written story.
