It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

I'd also read the study guide out loud to my youngest daughter. She would want to have mom snuggle time (she was 4-5 at the time of my last exams) and since she is my last kid, I didn't want to miss out on that time. So she got bed-time stories about defined contribution plans and target date funds.
