The Kawasaki 454 LTD is a motorcycle produced from 1985 to 1990, also known as the EN450. It is the forerunner of the Kawasaki Vulcan. The engine was a precise copy of the Kawasaki Ninja 900s, with two fewer cylinders. The Kawasaki 900 had a 908 cc engine. Removing two cylinders from the 4-cylinder divided the number of cc's by two.
